## Your step-by-step guide to be pool ready!

Hey darling!

Ready to get glam, feel gorgeous and **make a splash for a good cause?**

Here's your step-by-step guide to perfect that iconic Marilyn look for the **Marilyn Jetty Swim 2026 - Poolside Edition!**

### Neutral eyeshadow & winged liner

Create Marilyn's classic eye look with a soft, nude shadow and a gentle winged liner to lift and brighten the eyes.

### The signature beauty spot

Add Marilyn's distinctive beauty mark on the left side, just above the lip, using a brown brow pencil for a natural look.

### Classic red lip

Finish with a bold red lip. Crisp edges and a timeless shade to bring the full Marilyn look together.

### Style Your marilyn wig

Lightly smooth and shape your wig so the curls sit neatly. A tidy, soft wave captures that iconic Marilyn style.

### Don't forget sunscreen

Apply sunscreen before the event to stay sun safe and protect your skin while you make a splash for a great cause.
